

Technical Specification Sheet

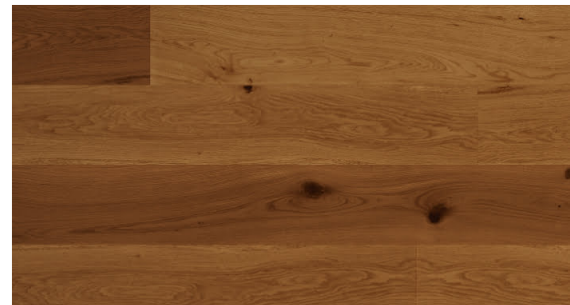

Mountain Rustic Oak (1414)

Product Details

Product Code	2001414
Product Collection	Ontario - Plank
Construction	Engineered
Species	European Oak
Pattern	Plank
Process	Brushed, Matt
Backing	Poplar / Eucalyptus
Finish	UV Matt Lacquered
Profile	Tongue & Groove
Edge Profile	4-sided Bevel
Thickness	14 mm
Top Layer	3 mm
Width	190 mm
Length	1900 mm (15% shorts)
Pack Size	2.17 m ²
Grade	Character/Rustic
Maintenance	See Maint Guide 2

Technical Criteria

Origin	Asia
Janka Hardness Rating	1360 lbf
Formaldehyde Emission	E1
Pentachlorophenol Emission	None
Reaction to Fire	Cfl-s1
Thermal Conductivity	0.16 W/(m*K)
Slip Resistance	USRV45

Installation Methods

Fully Bonded	Yes
Nailed	Yes
Floated on underlay	Yes
Suitable for underfloor heating	Yes

Grading Criteria

Typically, Character/Rustic Grade floors have a medium colour variation. An unlimited number of knots are allowed. These knots will be live, large and filled. Small cracks are also permitted, and these will be filled.

*Solid and Engineered floors can come in random lengths, random long lengths and fixed lengths. Floors that are fixed length are 75% fixed and 25% short due to fitting requirements.
